## Offshore trousers with ARC protection

Lightweight, but durable, these comfortable arc trousers with double-stitched reflective FR strips on the leg ends protect you against the risks of electric arcs, heat and metal splashes. These practical trousers with two inset pockets, one back pocket and one ruler pocket feel comfortable thanks to the breathable non-allergenic fabric and with a weight of 260 g/m<sup>2</sup> they are very light and comfortable to wear. For your convenience, there are also knee pockets in which knee protection can be inserted, and the elastic waist has belt loops.

# Offshore trousers with ARC protection
