## Hi-vis coveral (RWS)

The orange fluorescent colour and the many reflective striping ensure that you stand out when wearing the Welten hi-vis coverall. The lay-flat collar in contrasting colour is a nice touch, just as the adjustable elastic in the back, the knee pockets for reinforcement and the sleeve narrowing by press studs. The coverall complies to EN 20471 and has a world of storage space with two chest pockets, one pen pocket, two patched diagonal pockets, one thigh pocket, one back pocket and one ruler pocket.

# Hi-vis coveral (RWS)

**Welten - 056VA2PA8**
